4 Reports	Treasurers Report was previously circulated. Points raised for emphasis by BC		
	1) No money tied up in restricted funds now but we could have designated funds for specific expenses planned for the year eg Outreach Officer, Bede House project, Bennachie film (Alec Thomson) and printing for projects.	A report could be updated and available at each meeting for clarity	BC
	2) It was agreed that the reserve policy statement for OSCR would be the same as last year.		
	3) the value of capital assets would be estimated taking depreciation into consideration.		
	4) PayPal account imminent.

5 Bailies Website DT	Progress very good. Hope for a" go live " date in 2 weeks. Website group to meet before that date. Trustees should have a look and pass comments to DT before their meeting ie in a week. Trustee photo required and Bios from AG and RS		All trustees
	MG thought the Bailies were getting an exceptional deal from Global web.		

6 Membership DT	No new members since last report. JC suggested trying to get 50 new members this year.		
7 Annual Report ST	Some of the submitted reports had to be compressed a little for balance and lack of space. 100 copies will be printed. Most Bailies get an electronic copy before the AGM. Trustees happy with the almost complete report.

9 Chair's Report JC	MT518 will be discussed in Events Barry Foster has volunteered to organise displays in the Bennachie Centre, so that there is a regularly changing displays from various sources, including the Bailies. This may mean there is a cost involved eg for professional printing.	Trustees agree that a sum of money could be earmarked for this purpose.	
10 FCS Report NT	Reorganisation of FE staff now complete but they will need time to find their feet in their new posts. The Bailies need to communicate with NT and he will pass requirements on to appropriate people.		
	Cairn Couttie sign will be progressed this year with a temporary sign designed by the Bailies being sited as discussed last meeting. There is no plans for clear fell harvesting on Bennachie this year but thinning will take place in various sites.

12 Events JC	 AGM in March Part of the report of the work on the Bede House has been completed lain Ralston should now be paid. The project is hoped to be continued and again funded by the Bailies and /or grants. 	Bailies agree to fund the project to the same level as last time. Ie £5,000	
	 3 Bennachie Landscapes series 4 should be ready for printing /publication in autumn. Trustees would like an electronic (PDF) copy as well 4 MT518 (Mither Tap 518 metres high). The Bailies would like to arrange a 		
	charity event in June to support Breast cancer charities, Aberdeen Mountain Rescue and the Bailies. The idea is to appreciate our hill and promote breast health by regular checking for abnormalities. At 12.00 on the day a minimum of 277 people would link hands round Mither Tap, with music from Kintore Pipe Band and a drone camera to record the event.		
	Challenges – getting people to the Tap, public liability insurance, online registration, permission from local landowners. ? Tshirts.
